Notes	My awesome keymap

The diagram shows a split keyboard layout with 36 keys. The left half contains 18 keys: a top row with hyphen/underscore, numbers 1-5 with their respective symbols, and volume up; a second row with Left Shift, numbers 2-6 with their respective symbols, and volume down; a third row with TG(3), Home, and five arrow keys (left, up, down, right, and a fourth arrow key); and a bottom row with four arrow keys. The right half contains 18 keys: a top row with Play, numbers 7-0 with their respective symbols, and hyphen/underscore; a second row with Next Track, numbers 7-0 with their respective symbols, and Right Shift; a third row with five arrow keys (left, up, down, right, and a fourth arrow key); and a bottom row with four arrow keys.
